

# Haehae Bike Stand

Haehae Bike Stand

## PRODUCT FEATURES

- High strength fabricated steel construction
- 5.0mm Mild Steel
- All fixings: Stainless Steel 316
- Supplied fully assembled
- Hot Dip Galvanised
- Finished in any standard powder coat colour

## DIMENSIONS

- Height 850mm, Width 600mm

## SPECIFICATIONS

### Options

- No tap-rail
- Tap-rail

### Fixing

- Surface Mount, Sub-surface Mount

Haehae Bike Stand with tap-rail

## Care & Maintenance Suggestions

Our products are constructed using a variety of different materials, all of which are highly corrosion resistant. Despite this, some care is required to maintain their good looks. The extent to which cleaning is required will depend on a number of factors including environmental conditions, construction activity and level of use.

### MAINTAINING THE METAL SURFACES

To maintain the original appearance of the metal, it should be cleaned regularly using warm soapy water.

**Galvanised Steel:** If the galvanised coating is significantly penetrated, a zinc rich primer should be applied to the damaged area to maintain its corrosion resistance.

### MAINTAINING THE PAINTED OR POWDER COATED SURFACES

Clean regularly with warm soapy water. Should the paint become chipped or scratched, it can be touched up using an acrylic based paint.
